

Susanna Spann's "CHARISMA OF COLOR - TEMPERATURE OF COLORS"

WWW.SUSANNASPANN.COM

This is the third of a three part series that can be taken independently or as a series of all three. This session will focus on temperature of colors. Color wheels will be made followed by painting using the color scheme that is being taught. Patterns will be given to follow along with the instructor. ***Paintings are examples of color scheme and will not be painted in class due to complexity. Color wheel and small examples with provided pattern will be done in class.**
