## "LAYERING COLOR FOR TRANSLUCENT LIGHT & SHADOW IN WATERCOLOR"

IMAGINARYTRIPS.COM

Jaimie has she takes you on a journey of layering color for translucent light and shadows in watercolor. Jaimie has perfected this process developing her evocative color palettes and sensitive compositions. Laying in each successive wash develops colors, progressively building depth and intensity of color. This 2-Day Watercolor Workshop is designed to strengthen the skills of both the novice and the more experienced watercolor painter. Jaimie will lead participants step-by-step through every aspect and concern related to planning, composing, applying masking fluid, pouring, spraying, glazing, color layering, value lessons, use of materials, use of darks, and finishing.
