## INTIMATE VIEW OF A LENTEN ROSE

SUELYNNCOTTON.COM

We will be painting the heart of a simple Lenten Rose. You'll learn soft color variations and careful detail for the flower's center. I'll demonstrate how to create an atmospheric background with leaf suggestions. We'll create our own greens and purples with a limited palette or you can bring your own and I'll show you how to create variations from those.
