WASH DAY IN ITALY

WWW.CHERYL-S-JORGENSEN.COM

With a wonderful mixture of the Caribbean culture and medley of life experiences from points around the world, join Cheryl as she navigates you on a wonderful watercolor journey capturing the often daily task of wash clothes and hanging them out to dry. The is a classicly captured in this Italian was day. Cheryl particularly loves the spontaneity and flow of watercolor and will show you how to bring a painting to life with her dramatic use of color.
