Sketching is a wonderful art form that can become your daily practice as you learn the basics! We will study line, value, composition and the use of simple sketching tools. Plan to work from a still life and also a landscape photo you have or one provided for you. Bring what supplies you have plus a sketchbook with at least multi media paper and no larger than 8x12 inches or so. Lots of personal attention will give you confidence and joy in this fun class.
