

# Sue Downes Allen's

## "LETTING GO WITH FLUID ACRYLICS"

SUEALLENART@VERIZON.NET

Students will pour, splatter and run acrylic paint, in the same way we do watercolors, until a totally original image emerges. Emphasis will be on design and composition, color and contrast. Sue will demonstrate each step in her process and help students solve problems as they happen. You will be making your own original design following a step by step demo. We hope you will want to come along on this fun experience!

## Fluid Acrylics

Bradenton, FL 34205

# SUPPLY LIST

- 1 or more commercially prepared canvases 18x24 inches or a square one of similar size
- 1 sheet of watercolor paper to experiment on before working on canvas

## Paint:

\*\*Bring liquid acrylics in any colors you like, not necessarily my colors

- My basic palette is:

Cadmium Yellow	Cerulean Blue	Burnt Umber
Quinacridone Gold	Pthalo Blue	Burnt Sienna
Quinacridone Red	Pthalo Crimson	Black

- Please bring FW Acrylic Artists Ink-White or gesso
- Some FW Pearlescent liquid acrylic inks (1 oz) Sun-up Blue, Silver Pearl, etc.

## Brushes:

- Should all be sable or synthetic, soft and able to hold lots of water. My flats are all synthetic.

A large flat-1 1/2" or 2"	3/4" flat, aquarelle	1/2" flat, aquarelle
#10 or 14 round	#6 or #8 round	A detail round
#2 or #4		

- An old toothbrush
- A rubber brayer 1 1/2 or 2 inches wide, a white palette, saran wrap, sponge, masking tape and a spray bottle for water.
- At least 3 plastic squeeze bottles to hold at least 4 oz of watered down acrylic paint.
- A large kitchen trash bag.

\*\*\* You may bring reference photos if you would like to incorporate them into your painting. (People, flowers, landscape or an object for example)

If you have questions you may call me at 813-681-3589. Sue
