## FREE PET PORTRAIT DEMO

GODESTUDIO.COM

Interested in creating your own pet portrait? Come see a demo of my process for creating realistic pet portraits. I will be using acrylics on a gessobord surface. I'll be focusing on my layering process on the nose area, hair texture, and (if time allows) the eyes. Feel free to bring in a photo of your own pet...after the demo, I will be available for any specific questions you might have about your own special pet portrait.
