

# Susan Covert's SKETCHING WITH WATERCOLOR AND PENCIL

WWW.SUSANCOVERT.COM

Working from materials in our classroom, we will explore sketching using watercolor and pencil. The focus will be seasonal. We will practice using our watercolors in a loose casual way. Please bring your own watercolor papers but I will have watercolor sets or you can buy watercolors at Keetons. This class is always fun and relaxing. Lots of personal attention and questions welcome. See you then!
