"OLD FLORIDA IMAGES
IN WATERCOLOR"

WWW.AAFINEARTS.COM

The theme for this workshop is "Old Florida in Watercolor". Everywhere in the Sarasota/ Bradenton areas there is plenty of locations that are in the "Old Florida" category and provide a great opportunity to paint a subject matter that is fast disappearing. In this workshop participants will learn to paint the patina of old items and surfaces, texture effects and colors that show age. This is an ideal opportunity to paint old houses, buildings, alleys, farm houses, old docks etc

Watercolor
