

HP Original Supplies Promotion!

Did you know?

1 in 6 Americans struggle with hunger and 49 million Americans struggle to put food on the table. Food insecurity exists in every county in America.

We are excited to team up with HP to help support our local food banks during this holiday season.

Simply buy HP Original Ink or Toner between September 15 and October 15 and we'll donate to a local food bank.

For every \$1 donated, two meals are provided to someone in your community.

From September 15 to October 15, if you purchase on the same invoice:

- At least \$200 in HP Original Ink and/or Toner, we will donate \$15, enough for 20 meals.
- \$300 or more in HP Original Ink and/or Toner, we will donate \$25, enough for 50 meals.

It is that simple. You buy HP, we take care of the donation and we'll all come together to help stamp out hunger in the U.S.!
